Consumer Priority Service Accidental Warranty Plan - Terms and Conditions

This Plan applies exclusively to the item(s) indicated on the original bill of sale that is specified to be warrantable and covered under this Plan.

Terms:

The Administrator agrees with the purchaser of the product(s) and this Plan (OWNER), to cover manufacturer's defects in materials and workmanship that are the result of normal usage for a period specified on your membership card, subject to a maximum coverage period of two (2) years after the product's original date of purchase. The Plan covers eligible products purchased as new and manufactured for use in the United States, which at the time of purchase included a Manufacturer's original written warranty valid in the United States providing minimum coverage of ninety (90) days parts and ninety (90) days labor. The Plan begins on the expiry date of the Manufacturer's Warranty and is between ADMINISTRATOR and the OWNER. This Plan pays for parts and labor for functional parts. Functional parts are those component parts that are critical to the performance of the product's essential function. Nonfunctional parts are those parts that are not critical, knobs, handles or cosmetic parts. ADMINISTRATOR will repair or replace the unit or any parts thereof, as required, subject to these terms and conditions. ADMINISTRATOR is not obligated to renew your Plan, however, if renewal coverage is offered, the price quoted will reflect current service costs and the age of the product. For replacement/exchange plans, we will either replace the Covered Product or settle the claim monetarily.

If you have purchased Drone coverage, as indicated on your Membership Card as well as your Online Account, this Plan shall cover internal hardware failure, as well as damages that are a result of: impact, liquid or physical damage. Accidental Coverage is included in this plan, and is available for new, store-purchased items. Coverage for this plan shall begin on the 31st calendar day after your product's purchase as indicated on the original sales invoice. The Accidental Coverage plan must appear on the original bill of sale with the covered product. All coverage plans must be registered within 30 days of purchase. Deductible applies at time of claim.
